

Programme of the 15th ECG-COMON Meeting 2019

Sunday, June 16, 2019:

Time	Event	Location
16:00 – 18:00	Bucharest city guided tour	Meet at the hotel lobby (Hotel Berthelot)
18:00 – 18:30	Executive Committee meeting	Meet at the hotel lobby (Hotel Berthelot)
19:00 – 21:00	Welcome reception (at Caru' cu bere)	Meet at the hotel lobby at 18:45 (Hotel Berthelot)

Monday, June 17, 2019, Meeting at Hotel Berthelot

Time	Author/Chair	Pres. no.	Title/Topic
09:00 – 09:10	Tony Horner		Welcome
09:10 – 09:30	Alexandru Toma	Intro	Welcome message from RATEN ICN Pitesti
	Jan Macak	WG1	Session WG1: Corrosion monitoring of non-nuclear industrial materials and basic research
9:30 – 10:00	Antonie Baars	WG1-1	Wireless electrochemistry
10:00 – 10:30	Mohammed Reffass	WG1-2	Quality indicators for impedance measurement
10:30 – 11:00	All		Coffee break
11:00 – 11:30	Bojan Zajec	WG1-3	Optical and EN monitoring of pitting on stressed austenitic stainless steel at high temperature
	Bojan Zajec	WG2	Session WG2: Corrosion monitoring of nuclear materials
11:30 – 12:00	Jordan Knapp	WG2-1	EIS analysis of noble metal treated stainless steel specimens
12:00 – 12:30	Radek Novotny (Jan Macák)	WG2-2	In-situ EIS measurements on corrosion of pure Ni in sub-critical and super-critical water
12:30 – 14:00	All		Lunch break
14:00 – 14:30	Anna Hojna	WG2-3	Effect of laboratory surface treatment on EAC initiation of type 316L steel in high-temperature water/vapor environments
14:30 – 15:00	Tony Horner	WG2-4	EAC susceptibility of wrought HIP Alloy 625 in PWR primary water
15:00 – 15:30	Konsta Sipilä	WG2-5	Alternative oxygen scavengers for hydrazine – experimental studies conducted at VTT
15:30 – 16:00	All		Coffee break

Time	Author/Chair	Pres. no.	Title/Topic
16:00 – 16:30	Jan Macák	WG2-6	Accident tolerant fuel based on thin coatings on Zr alloy
16:30 – 17:00	Juha Piippo	WG2-7	Introduction to some of Cormet's products
17:00 – 17:30	Antonie Baars	WG2-8	Gained ranges vs. 'direct ranges' – What's the difference?
19:00	All		Conf. dinner with wine tasting at the Grand Hotel Continental (departure from Hotel Berthelot at 18:45)

Tuesday, June 18, 2019, Meeting at Hotel Berthelot

Time	Author/Chair	Pres. no.	Title/Topic
	Stefan Ritter	RR	Round-Robin session
09:00 – 09:30	Francois Huet	RR-1	Final results and publication of the ECG-COMON R-Rs on EIS
09:30 – 09:50	Alberto Sáez-Maderuelo	RR-2	Preliminary results from the oxidation round-robin test
09:50 – 10:20	Stefan Ritter	RR-3	Status of the 13 th ECG-COMON R-R on the oxidation behaviour of Ni-based alloys in high-temperature water
10:00 – 10:30	All		Coffee break
10:30 – 11:00	Francois Huet	RR-4	Influence of drift on the impedance measured with the lock-in amplifier technique
11:00 – 11:40	Stefan Ritter & Tony Horner	Admin	"Business session" (membership status, election/confirmation of executive committee, next meeting(s), ...)
11:40 – 11:45	Tony Horner		Closure of the ECG-COMON meeting
11:45 – 13:00	All		Lunch

Tuesday, June 18, 2019, MEACTOS technical meeting – for MEACTOS members only!

Time	Author/Chair	Title/Topic
	Stefan Ritter	MEACTOS technical meeting
13:00 – 15:30	Stefan Ritter & Anna Hojna	MEACTOS meeting (see extra agenda)
15:30 – 16:00	All	Coffee break
16:00 – 18:30	Stefan Ritter & Anna Hojna	MEACTOS meeting (see extra agenda)
19:00	All	Dinner for MEACTOS meeting attendees (Jaristea Restaurant)
